RE: Right-of-Ways in the Streeterville Area

Dear Mr. Iacullo:

For the past two months, U.S. EPA has been conducting walk-over radiation surveys in the Streeterville Area. While surveying the parking lot on Peshtigo Court, we encountered an anomaly which we traced to the centerline of the street. However, we were not able to determine at the time whether this anomaly was due to thorium contaminants or to the granite pavers under the asphalt. However, to be prudent, until such time as this anomaly can be resolved, please include both sides of the street and sidewalks of Peshtigo Court between Grand Avenue and Illinois Street as part of the restricted area for thorium contamination.

A written reply would be greatly appreciated to confirm your receipt of this letter. If you would like to discuss this matter further, please contact me at (312) 886-3601, or Fred Micke, On-Scene Coordinator, at (312) 886-5123, or Larry Jensen, Health Physicist, at (312) 886-5026. Please direct any legal questions to Mary Fulghum, Associate Regional Counsel, at (312) 886-4683.

Sincerely,

Verneta Simon
